TUITION & FEES

The registration fee must be paid in advance and is non-refundable. With regard to tuition, we strive to complete 80% of the lessons in the pool in one given month. This does not include the child's absenteeism from school on swimming days. Should your child miss lessons as a result of his/her absenteeism, these lessons will not be credited, and no refund will be made. If children do not have their swimming kit with them on the appointed swimming days, they will not be taken to swimming. Fees are payable in advance by the 1st week of the month. Only cash payments or bank transfers are accepted. Lessons will be suspended after the 1st week of the month until cash payment is received. One month's written notice is required for termination of lessons.
